**DIRECTOR**

Benjamin Davis

Camp Livingston Parents:

We are looking forward to having your children back at Camp on Sunday. It's been a long and lonely week without them!

**BOARD OF DIRECTORS**

Stan Chesley  
Honorary Chair

As we communicated to you Monday, we met with officials from the Indiana State Department of Health to debrief and discuss future preventive measures. In an effort to avoid a reoccurrence of the flu, they assisted us in putting together the following recommendations:

Michael A. Moskowitz  
President

- In accordance with CDC guidelines, any child who is symptomatic should remain at home for a minimum of 7 days after the onset of symptoms or 24 hours after the resolution of symptoms, whichever is longer. The same criteria apply to any camper that might become symptomatic after returning to camp.

Laurie Dubin  
Secretary

- While the most common symptoms are fever with a cough or sore throat, symptoms may include any of the following:

Alan Solomon  
Treasurer

Fever  
Cough  
Sore Throat  
Runny Nose  
Body Ache  
Headache  
Chills  
Diarrhea  
Vomiting

Lauren Della Bella

Stan Better

Jan Evans

Howard Goldwasser

Harry Korros

- Parents are asked to please reinforce the importance of hand washing especially after coughing or sneezing, restroom breaks, and group activities. Campers are encouraged to bring a personal supply of hand sanitizers and tissues for their exclusive use.

Ellen Lerer

Diane Slovin

- Parents are encouraged to review the symptoms of influenza-like-illness with their children to facilitate early recognition.

Walter Spiegel

Mark Washofsky

- Parents are encouraged to have a transportation plan in place should their child become ill and need to return home on short notice.

Jeanne Weiland

Cathy Weinberger

- Please review the CDC guidelines for residential camps at [cdc.gov/h1n1flu/camp.htm](http://cdc.gov/h1n1flu/camp.htm)

**IMMEDIATE PAST PRESIDENT**

As a reminder we will be checking temperatures and filling out a health questionnaire on each child at the bus stop prior to boarding on Sunday. Please allow 30 extra minutes at check-in.

Diane Slovin

Again, we greatly appreciate your cooperation. Your support has made it possible for us to safely navigate this difficult situation. Now let's get the campers back to camp!

If you have any questions, please don't hesitate to contact me at camp.

B'Shalom.

Ben Davis, Executive Director
