Dear Parents,

BOARD OF DIRECTORS

Stan Chesley
Honorary Chair

Today we were in contact with health officials to confirm the date of July 5 for the reopening of camp. They have assured us that we can safely resume camp on July 5.

Michael A. Moskowitz
President

If your child became ill after camp closed on June 26th, he/she may not return to Camp until 7 days after your symptoms began or he/she is symptom free without medication for 24 hours, whichever is longer. Please contact the camp office at 812-427-2202 for additional instructions.

Laurie Dubin
Secretary

Alan Solomon
Treasurer

Lauren Della Bella

We will be picking campers up at the previously designated bus locations at the same times as we did for the start of the session. Please allow approximately 30 additional minutes for check-in. Prior to getting on the bus, we will require all campers to have their temperatures checked and answer a few questions. Anyone with symptoms (Fever of 100 or higher, coughing, runny nose, etc.) at check-in will not be permitted to attend camp.

Harry Korros

We look forward to reopening camp and greatly appreciate your cooperation.

Ellen Lerer

With your continued support, we look forward to a safe and rewarding completion to Session 1. We are excited to see all of your children back at Camp Livingston.
