Dear 1st Session Parents,

BOARD OF DIRECTORS

Stan Chesley
Honorary Chair

Many thanks again to our camp families and staff. Your patience and cooperation allowed us to quickly close camp and continue working with local and state health officials to safely and effectively resolve the flu outbreak.

Michael A. Moskowitz
President

For your planning purposes, local health officials have given us the tentative ok to reopen on Sunday July 5th. We want to stress that this date is tentative. We will be meeting with representatives from the health department in the evening on Monday June 29th to confirm the date and to develop the medical procedures necessary to reopen camp and to allow campers to return safely. We will take every possible precaution to ensure that both the timing and procedures are correct.
