can you dig it? 2015

For nearly a century, Camp Livingston has been a home away from home to campers and staff, helping to develop Jewish identities, creating lifelong friendships, and participating in a wide variety of programming.

Studies have shown overnight Jewish camping is one of the most important factors in creating a strong Jewish identity for our youth.

LivingStock is a special event to benefit Camp Livingston's annual campaign. The 1960's themed event will include groovy music, the Camp Director's Big Big Big Auction, great camp-themed food (s'mores for dessert, you dig?) and two lava lounges (where you can sample drinks such as Livingstock Lemonade, Camptinis and a very special Bug Juice).

A separate **LivingStock** party will be held in the JCC gym for camper-aged children and will feature a variety of camp related activities including a bouncy house, GaGa tournament, X-Box competitions, craft station, karaoke and a feature movie presentation. Dinner, drinks and dessert will also be provided for this party.

In addition to raising money for the camp's annual fund, this year's **LivingStock** will honor special friends who have helped camp become such an incredible place for over 90 years. A big announcement will also be made at about the future of the camp and some cool happenings for Summer 2015.
