

Gesher Packing List

Please pack in 1 duffel bag or collapsible soft-sided suitcases or less and 1 suitcase with wheels plus carry on. Space is at a premium at camp, for this reason we ask that you NOT send hard-sided suitcases, plastic totes, footlockers or trunks whenever possible.

We dress informally at camp. All clothing and personal belongings MUST be clearly marked with the camper's name (use indelible ink or laundry marking pens. Please note that name tapes/labels may fall off when laundered). Gesher campers will get laundry done on the trip and one time upon return to camp.

All articles of value should be left at home. Camp Livingston does not accept responsibility for loss or damage to the clothing, equipment, or any personal belongings of our campers.

These are just guidelines as you know your child best. When packing, we request that you help your camper choose clothing that is respectful and appropriate. Please note that campers will not have access to electrical outlets in their cabins. There are outlets in the shower house for hair dryers, electric shavers, etc.

JCC Maccabi Israel (tour provider) will send a packing list out for the Israel portion of the summer specifically. This list will come in the late winter. We recommend packing a complete separate bag for the time on Camp before and after the Israel travel, which will include clothing and toiletries for Camp and bedding and linens. Please follow mini session packing list for packing for your camper's stay at camp.
