100 Years Longsleeve

Ask us about our wide variety of camp apparel from summer's past!

Days here at Livingston
will fly away, die away.
Days of true friendship
will be memories.
We have loved.
We have learned.
Let us now teach in turn.
the flames we have kindled
forever must burn.

All of our footsteps
will fade away, fade away.
Others will follow
the paths we have trod.
In our hearts full of hope
and our songs full of joy,
must keep the flame burning
for those yet to come.
