

## **Mini Session Suggested Packing List**

Please pack in 2 duffel bags or collapsible soft-sided suitcases or less. Space is at a premium at camp, for this reason we ask that you NOT send hard-sided suitcases, plastic totes, footlockers or trunks whenever possible.

We dress informally at camp. All clothing and personal belongings MUST be clearly marked with the camper's name (use indelible ink, labels, or laundry marking pens). We will do laundry once for Mini Session Campers.

All articles of value should be left at home. Camp Livingston does not accept responsibility for loss or damage to the clothing, equipment, or any personal belongings of our campers.

These are just guidelines as you know your child best – keep in mind that campers do change frequently (often a few times a day). When packing, we request that you help your camper choose clothing that is respectful and appropriate. Please note that campers will NOT have access to electrical outlets in their cabins. There are outlets in the shower house for hair dryers, electric shavers, etc.
